Dear Residents,  
It's that time of year again where you can go outside and enjoy the wonderful weather! Please remember, before exiting the building, to check in with your nurse. Ensure you are wearing appropriate clothing and that you don't sit in the sun for too long without sun screen! **HAPPY SPRING!!**

We just wanted to send a quick **THANK YOU** to all of our amazing residents for "BEAR"ing with us through out this difficult and confusing time! We will get through this together and never take "normal" life for granted again!

If you are interested in "attending" one of these online Church services, staff are able to pull them up on "Youtube" in the dining rooms. Below is a link to a West Des Moines church service for those interested.
