

January 2018

JUST SO YOU KNOW!!

We would like to remind families to change out your loved ones seasonal clothing.

Also they will need their winter coats, hats and gloves as we will be going on outings when the weather permits.

Please make sure with the holidays coming that clothes and other items get labeled.

Starting next month (Feb 2018) we will now be putting our monthly newsletter and monthly calendar on our “new and improved” website. <http://www.storymedical.org>. We will no longer be mailing out our newsletter.

Happy Birthday!
