

Announcements

We have finally received our new fish tank up on second floor! We have services through Serenity, and they make visits every 7 weeks to check on the tank and clean it. Please do NOT feed the fish. It has a self feeder, which is programmed with a timer and plenty of food to get them through the 7 weeks. Please do not put anything into the tank or fiddle with it. Thank You!

Please remember to cover your coughs, wash your hands, and drink lots of water! We've almost made it through the flu season!

Our lost and found closet is getting pretty full! If your loved one is missing any item of clothing please come down to the laundry area and take a look inside the closet and claim what's theirs!

With Spring time right around the corner, we will be taking residents on outings again. We encourage family members to ensure their loved one has weather appropriate clothing. Thank you!
