Birthday Surprise

Our wonderful team down in dietary have begun designing and handing out AMAZING birthday cakes to our residents! Some awesome staff members then take some time to deliver and sing "Happy Birthday" to said resident! Such a fun, "sweet" new tradition for our residents to look forward to!

Dear Residents,
If you have not seen already, in April, the front patio got a makeover! It is now a solid slab of concrete, to assist with the safety of our residents, staff, and visitors! Ensure to check out with the nurse before heading out to enjoy the weather and the new patio!! Happy Spring!

Meet Clyde!
Keep your eyes peeled for this chunky critter!

He enjoys strolls on the sidewalks, toast, stealing seeds from the birds, and lounging on the patio!
